| <b>Project Name</b>  | Rising Waters |
| <b>Maximum Marks</b> | 1 Mark        |

### Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

| S.No | Team Member Name        | Role in Demo            | Section Presented                             | Contribution Summary                                                          | Participation (Active / Passive) |
|------|-------------------------|-------------------------|-----------------------------------------------|-------------------------------------------------------------------------------|----------------------------------|
| 1    | Akshita Manik Chandra   | Team Lead / ML Engineer | Solution Overview & ML Prediction Walkthrough | Led model development and coordinated the overall demo flow                   | Active                           |
| 2    | Tati Chiranjeevi        | Backend Developer       | Live Data Ingestion Demo                      | Built the data pipeline integrating weather and river gauge APIs              | Active                           |
| 3    | Mohammed Salman Tanveer | Frontend Developer      | Dashboard & Alerts Demo                       | Designed and built the interactive risk dashboard                             | Active                           |
| 4    | Borra Koushik Sri Sai   | Data Analyst            | Introduction & Problem Statement              | Conducted research on historical flood data and prepared the problem analysis | Passive                          |
| 5    | Ganesh Parcha           | QA & Documentation      | Q&A and Closing                               | Prepared project documentation                                                | Active                           |

**Team Coordination Notes:**

| Aspect                                 | Details                                                                                      |
|----------------------------------------|----------------------------------------------------------------------------------------------|
| Team Leader / Coordinator              | Akshita Manik Chandra                                                                        |
| Overall Team Coordination Rating (1-5) | 4                                                                                            |
| Any issues during demo                 | Brief delay in live API response noticed during rehearsal                                    |
| How issues were resolved               | Added a cached fallback dataset to ensure a smooth demo even if the live API responds slowly |
